

# iPad Insurance Claim Form

## Insurance Policy

iPad insurance will be provided through the school as part of the iPad 1:1 program. Insurance only covers accidental damage as determined by the technical support staff.

### Insurance Coverage

The following will be covered under the policy:

- accidental damage
- fire or natural disaster

### Insurance Not Covered

The following are not covered under the policy:

- loss
- intentional damage
- theft
- submersion (water damage of any type)

Replacement: Every effort will be made to immediately replace the iPad with the same model of the insured device. If the same model is not available, the student may receive an older model iPad.

Lost, Stolen or Damaged : The iPad will be the student's responsibility. A lost or stolen iPad must be reported to NRCA immediately and should also be reported to the proper authorities if off-campus theft occurs. Any damage due to intentional or unintentional abuse or misuse to the iPad must be reported to NRCA immediately. **The family will be responsible for the cost of replacing the iPad if it is lost, stolen, submersion in water or non-accidentally damaged.**

**\*\*\*During the last semester of a 3-year cycle, students who break their iPad must pay the exact cost of the repair from Apple. Apple determines the exact cost of the repair, including sales tax.\*\*\*** If the iPad is damaged to the point where Apple deems it not repairable, the students will be responsible for the entire cost of the iPad. Apple, and not the NRCA Technology Department, determines this level of damage. Once the student is notified that Apple will not cover the damages, students have one week to pay the full replacement cost.
