Welcome to the Little Knights Pre-K program!

We are excited you have joined the NRCA family. It is the goal of our staff to partner with you, our parents, by providing experiences that help children grow spiritually, intellectually, physically, and socially. Luke 2:52 says, "And Jesus grew in wisdom, and stature, and favor with God and man." This is the education of the whole child.

Our commitment to high standards is reflected in the faculty who will work at Little Knights. Our teachers are experienced and degreed with a background in early childhood education where each class has a teacher and a full-time assistant.

Our teachers love the Lord and love little children! In Matthew 18:5, Jesus says, "And whosoever welcomes a little child like this in my name welcomes me." This statement reveals our heart for the children in our care. When we receive these children, we receive Him.

We want children to love learning and to be excited about school. Your children will learn by using a hands-on, developmentally appropriate curriculum that is designed to prepare them for kindergarten. The goal of our teachers will be to use a variety of methods to meet individual learning styles. The teachers will encourage critical thinking, creative expression, decision-making, and conflict resolution.

Join us Thursday, August 30 for Parent Orientation at 6:00 p.m. On Friday, August 31, your children may come anytime between 9:00 a.m. and 11:00 a.m. to "Meet and Greet" their teachers. The first day of school is September 4. If you have any questions, please contact Mrs. Dial at 919-573-7900 ex. 7929.

Yours for Kingdom education,
Debbie Sherrill, Elementary Principal
