NRCA Missions Trip Requirements

Students of NRCA must participate in at least one missions trip during their high school years (grades 9-12) as a high school graduation requirement **beginning with the Class of 2010**. A missions trip is defined as a trip where the student is dedicated to service without pay for a minimum of 3 days, 8 hours or more per day (excluding travel), with an approved mission organization that is a minimum of 100 miles from NRCA's campus. These trips may include construction for a non-profit organization, help in a ministry, assisting a missionary, etc and may be affiliated with a church group, mission agency, parachurch ministry, or school.
